Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

- *Safe Schools Strategy-consultation on Provincial Code of Conduct, discussions regarding school vision and values statements, and sharing school expectations matrix.*
- *Traffic discussions and actions to support safety for students arriving and leaving school. This included following procedures to request a crosswalk and traffic study.*
- *Student Success Planning to deepen understanding of priority areas in math, literacy and well-being, information about reading benchmarks and assessing reading, sharing provincial assessment results, and information sharing about updated provincial P-2 Literacy Curriculum.*
- *Funding decisions to ensure spending was in alignment with priority areas of math, literacy and well-being.*

Please list any significant milestones and success stories that the SAC would like to highlight.

Collaborating to identify ways to improve safety for families arriving and leaving school.
--

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
--

No sub-committee work undertaken.
