Call to order

Approval of April 27, 2026 Minutes

- **Motion:** Approval of February 24, 2026 Minutes
 - Approved Annie, seconded Terin

New Business

1. Westmount School Photographer Presentation

- Lifetouch and Pegasus presented their photography packages and information. After reviewing the information provided, SAC voted to sign a contract with Lifetouch. Reason being lower cost of packages and secure storage and deletion of personal data.

Old Business

1. SAC Funding Update

- Funding request for Hushh-ups for the whole school. The cost is around \$3800. These are sound reducing strategy to help calm background noise in classrooms. We trialed a set in a Grade 3 room (hearing impaired student) and it has been very positive. This would connect with well-being and calming classroom environments.

2. Parent Survey

- Survey programmed. Erik and Teri to discuss distribution.
 - Send through email during the week of May 25-29.
 - Teri to reach out to Patrick (YMCA Settlement worker) and Newcomer Welcome Centre to help support some of our newcomer families.
 - Have printed copies that can be returned in a sealed envelope.

Other Business

- Parking/cars during drop off/pick up. No updates to signage yet. Upcoming Events
- May 23 – Spring Fair

Next Meeting

- September 2026
